IN THE BOTTLE

Golden Radiance Peel-Off Mask

Formulated with colloidal gold, seaweed extract, caffeine, and nourishing botanicals to leave your skin looking softer, brighter, and firmer.

Key Ingredients:

Colloidal Gold: This technology turns gold into a protective shield that helps anti-aging peptides to firm and tone skin.

Fermented Rice Filtrate: Helps to brighten and hydrate the skin while minimizing the appearance of fine lines and pores.

Seaweed Extract: Helps to hydrate, tighten and tone.

Formulated without sulfates, animal by-products, parabens, or gluten.

RETAIL: \$50

Heel and Elbow Softening Cream

A rich cream that targets thick, rough, scaly and dry skin areas in need of a softer texture and more hydrated feel.

Key Ingredients:

Glycolic Acid: An alpha hydroxy acid (AHA), it helps exfoliate and remove dead skin to reveal brighter looking, softer, and fresher skin.

SenePlex+: Powerful proprietary complex that helps to reduce the signs of aging.

Nangai Oil: Provides skin with calming and deeply hydrating benefits.

Formulated without sulfates, animal by-products, parabens, or gluten.

RETAIL: \$40
