

SeneGence Launches in Hong Kong

FOOTHILL RANCH, Calif. – (Jan. 10, 2020) – Global beauty brand [SeneGence®](#) announced that SeneGence Hong Kong is officially open for business.

Several SeneGence skin care solutions, including daily essentials and anti-aging products, plus numerous color variations of their flagship product, LipSense®, will be available for Hong Kong Distributors. The full Distributor benefits model is now available after entering the market in October 2019. Anyone in Hong Kong that is interested in becoming a SeneGence Distributor can sign up for free through February 29, 2020.

“SeneGence’s global expansion is bringing products that really work and a career that really works to millions of women worldwide,” says Joni Rogers-Kante, founder and CEO. “It’s so exciting to have another country join the SeneGence family.”

SeneGence is known for [LipSense](#), the original long-lasting liquid lip color that it is water-proof, smudge-proof, and kiss-proof. LipSense and LipSense Gloss provide up to 18 hours of perfectly pigmented color with multi-dimensional texture to keep your pout looking perfect. Much more than a lip color company, SeneGence also has a full line of long-lasting, anti-aging cosmetics and skin care products formulated for a variety of skin types.
