

SeneGence To Open Training and Event Center on Historic Route 66

Sapulpa, Okla. – March 9, 2020 – SeneGence, a direct sales cosmetic company that operates in 17 countries, will open a SeneGence Training and Event Center on historic Route 66 in Sapulpa at 117 E. Dewey Ave. The facility will be utilized by SeneGence staff and their Distributors and will also be offered as public rental space.

SeneGence is taking this historic building that was built in 1910 and giving it an urban chic face lift. The venue will feature 6,000 square feet of space and will offer a unique setting for trainings, company off-site meetings, parties, and more.

“The new space is designed to be diverse and functional; a hybrid center that can be used by anyone,” explained SeneGence Founder and CEO Joni Rogers-Kante. “The excitement behind this project is overwhelming as we move forward on our goal to bring more business to my hometown of Sapulpa.”

Rogers-Kante and the SeneGence team will host a ribbon-cutting ceremony and tour on **Thursday, April 23**. In addition to this celebration and immediately following the ribbon-cutting and tour of the training and event center, guests are welcome to join us for the official opening of the historic Burnett mansion. The Kante Group LLC has made many renovations to the 1911 registered historic home and will be opening the home to be used as public rental space. Residents of Sapulpa and surrounding communities are welcome to attend these special celebrations. Please save-the-date for this special event (full details coming soon).
