DSN partnered with Quantum Workplace to determine the best workplaces in the direct selling industry, conducting in-depth surveys across six categories: Communication and Resources, Individual Needs, Manager Effectiveness, Personal Engagement, Team Dynamics and Trust in Leadership.

SeneGence will be featured in a Best Places to Work supplement included with the April edition of “Direct Selling News”S.

“SeneGence Founder & CEO Joni Rogers-Kante’s passion, vision, and dedicated leadership is an integral part in building a positive company environment,” explains SeneGence President, Philippe Guerreau. “We are a family with a common goal and everyday our team shows up together to work for it.”

“I appreciate that I’m given the opportunity, and the freedom from leaders in the company to suggest and execute my own ideas—ideas that I think will benefit our distributors, whether it’s an idea for a new product or an enhancement to one of the processes that will help us to be more efficient. I appreciate the fact that my voice is heard, and my ideas are listened to,” says SeneGence Senior Marketing Manager Jenelle Moad.
