SHAPE

FOOTHILL RANCH, Calif. – (September 14, 2020) SeneGence Founder & CEO Joni Rogers-Kante announces her premier product, the patented LipSense® color technology, has received the Beauty “ICONS Award” by SHAPE. The winners were selected by editors and The Shape Squad, a group of fitness and beauty-minded staffers, pros, and dermatologists who tested and approved 77 products that not only work, but also enhance your physical and mental states. “SeneGence Blu-Red LipSense keeps its longest-lasting lip reign. It’s magic,” the Squad says.

LipSense is a unique product that is waterproof and does not kiss off, smear off, or rub off. When used properly, it helps to restore the moisture content of your lips. LipSense Liquid Lip Color can last anywhere between 4 and 18 hours and comes in a wide variety of shades and textures. It is initially sold as a set, which includes Liquid Lip Color, a moisturizing Gloss, and an Ooops! Remover.

“As the creator of The Original Long-Lasting Liquid Lip Color®, I am thrilled that LipSense was chosen for this industry recognition,” states Rogers-Kante.
